

NANCY CLARK

In the Central Florida area there are a number of talent agencies to pick from, that is why you need to consider the agency you chose. Is it the one that will help place you in the jobs you want? Consider us a personal management team that can help you in picking pictures, helping with your resume, and finding the class & teacher that can help you the most.

Your agent should have knowledge about the area you are working in and the rules that apply with SAG and AFTRA unions and non-union jobs. Nancy Clark has been in the industry for 30 years. She has seen talent start out with little or no experience. However, with devotion and fortitude she has helped them gone on to be very successful; taking a dream to reality. The most important is to get the right talent (with qualification or skills) that fits the casting they are auditioning for.

Nancy Clark has booked thousands of talent from-

Print: Olive Garden, Disney, Kodak, Woodbridge Wines, Harcourt Publisher

Movies: Doc Hollywood, Larry the Cable Guy Food Inspector

Assorted Commercials: Publix, Sea World, Disney

Just to list a few.
